I. Summary:

The Committee Substitute for Senate Bill 1776 provides the statutory authority necessary to implement and execute the General Appropriations Act for Fiscal Year 2009-2010. Statutory changes are temporary and either expire on July 1, 2010, or revert to the original language at the time.

This bill substantially amends, creates, or repeals the following sections of the Florida Statutes; 253.034, 332.007, 339.08, and 339.135.

II. Present Situation:

In the past, substantive language was included in proviso or in separate sections of the General Appropriations Act to clarify how funds contained in the act were to be expended. However, decisions such as *Brown v. Firestone*, 382 So. 2d 654 (Fla. 1980), and *Graham v. Firestone*, Circuit Court of the Second Judicial Circuit, #82-1703, Leon County Florida, 1982, have found such proviso language in the annual General Appropriations Act to be unconstitutional and void.

III. Effect of Proposed Changes:

Section 1 provides legislative intent.

Section 2 amends s. 253.034, F.S., to implement section 11 of Senate Bill 2762, authorizing the funds from the sale of property by the Department of Highway Safety and Motor Vehicles in Palm Beach County to be deposited into the Highway Safety Operating Trust Fund. (Repeated from the 2008-2009 Implementing Bill, ch. 2008-152, L.O.F.)

Section 3 amends s. 339.08, F.S., to extend the expiration date of paragraph (n) which allows funds in the State Transportation Trust Fund to be used for administrative expenses of a multicounty transportation or expressway authority created under chapter 343 or chapter 348, where jurisdiction for the authority includes a portion of the State Highway System until July 1, 2010. Implements Section 10 Senate Bill 2762.

Section 4 amends s. 339.135, F.S., to provide that the Department of Transportation shall transfer funds to the Office of Tourism, Trade, and Economic Development in an amount equal to \$20,000,000 for the purpose of funding economic development transportation projects. Specifies the transfer shall not reduce, delete, or defer any existing projects funded, as of July 1, 2009, in the Department of Transportation's 5-year work program. Implements Specific Appropriation 2042 of the 2009-2010 General Appropriations Act.

Section 5 amends s. 332.007, F.S., to allow the Department of Transportation to fund operating and maintenance costs associated with publicly owned airport security projects. Implements Specific Appropriation 1998 of the 2009-2010 General Appropriations Act.

Section 6 provides that the amendment to s. 332.007, F.S., shall expire July 1, 2010, and the text in that section shall revert to the existing statutory language..

Section 7 specifies that no section of this bill will take effect if the appropriations and proviso to which it relates are vetoed.

Section 8 provides that a permanent change made by another law to any of the same statutes amended by this bill takes precedence over the provision in this bill.

Section 9 provides a severability clause.

Section 10 provides an effective date of July 1, 2009.
